Java Servlets

NETBEANS

- Netbeans is an application platform framework for java desktop applications and others.
 - Developers-Oracle corporation
 - The Netbeans is written in java and can run on Windows,OS X,Linux,solaris and other platforms supporting a compatible.

Limitations of old manual system

- User have to go manually to register FIR.
- A lot of rush may be there.
- Lot of Time wastage.
- Long distance.
- In case the police officer is absent obstruction occurs.
- The old way is less reliable.

Advantages of online system

- Time saving.
- One can lodge FIR easily from anywhere.
- If police station is at long route then online method helps a lot.
- Gives information about missing and wanted persons.
- Reliable
- Links to any police station of different districts.
